

# BRANDY & JONATHON

“HI”

We are Brandy, and Jonathon and our son Atlas. Thank you for taking the time to get to know us. We've included several photos hoping this will help you get a glimpse of how we live and the life we hope to provide your child. We value your consideration and very much appreciate you! We hope we will be the perfect connection for you and your baby.

US

We have been married for 17 years. Our strong communication along with our deep faith keeps our marriage ALIVE and THRIVING. We make time for one another no matter what because we know the stronger our relationship the more solid the foundation of our home is for our children. We want our children to always see our love for one another as solid, even through the challenging times. We know that our respect for and commitment to one another will greatly impact the future of our children in the most positive way.

We have built businesses that we hope to one day pass down to our children so they don't have to feel the same struggles that we did while growing up.

A man with a beard, wearing a blue short-sleeved button-down shirt and khaki shorts, is sitting in a dark grey Adirondack-style chair. He is smiling and looking towards the camera. In front of him is a small, round, dark grey table with a blue cup on it. To the left is another similar chair. In the background, a palm tree is wrapped in warm white string lights. A pink flamingo decoration is visible near the base of the palm tree. The setting appears to be an outdoor patio or deck at dusk or night. A white SUV is partially visible on the left side of the frame.

He is a heart of solid gold. He is the kind of man who will give you the shirt off his back if needed. He is the person you call for help and will come running without judgment or question. Jonathon is the hardest-working man around, and he does it ALL for his family. He is driven, goal-oriented, and, most of all, loyal.

Jonathon is the Vice President of a grading company. He owns a commercial landscaping company and a development company. Life did not come easy for him. He started work at a very young age, and all the things we have now are the result of Jonathon's hard work and never giving up.

# JONATHON

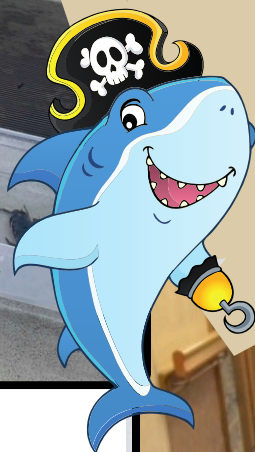

She is a beautiful soul that radiates love to all those around her. She loves deeply and genuinely cares for everyone in her life. Brandy is level-headed, and a calming presence, and she is great at seeing the good in every situation.

Brandy went to mortgage loan officer school, cosmetology school, and now she is a licensed realtor and owner of a juice/smoothie bar. Brandy has worked hard since she was 14 years old and knows first-hand what it feels like to struggle while growing up. Her priority in this season of her life is staying home and raising our son and future children to be the best version of themselves. Brandy is the smile that keeps our home at peace and makes living easy.

# X ATLAS

He is a FUN, spunky little seven-year-old with the biggest imagination. He is smart, loving, and FULL of life! We are grateful to his birth mother for choosing us to walk through this life with him. Atlas knows he has two mama's, and he knows he has brothers and sisters in a different state. While he has never met them, we pray for them every night and talk about them daily. He talks about having a brother or sister at home and it tugs on our hearts. We hope that we are able to fulfill that wish for him and us through this adoption.

# HOME

We have a cozy four-bedroom, two-bathroom home nestled on 34 acres of land in Georgia. It's really a kids paradise! We built our home here as a safe space for our little guy and his future brother or sister to run wild and free. We love to play in the creek and ride 4-wheelers throughout all the trails on the land. Being outdoors and off the phones and electronics is how we like to live. We believe that kids need to be in nature LIVING their best lives.

We also have a beach house in Florida that is our great escape. We spend a good amount of time there. It is a blessing knowing that our children will grow up having the best of both worlds- country life and the beach life.

# JONATHON'S FAMILY

Jonathon's mother and father have been married for 47 years and are a true example of what a determined and committed relationship is. Jonathon's parents raised their children to be strong, independent, and to love God.

He has a sister and brother-in-law and a brother and sister-in-law, along with four nephews, and five nieces.

We enjoy traveling together and share the sweetest holiday traditions.

# BRANDY'S FAMILY

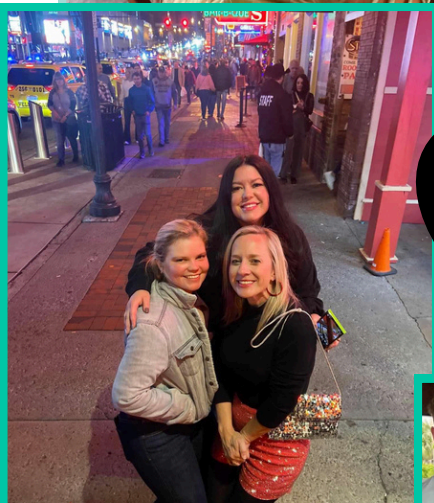

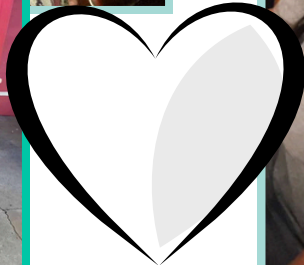

Brandy's family lives for adventure and fun. Brandy's mom and stepfather are always chasing their dreams and living life to the fullest. Her father is the sweetest, most hardworking man and a true family man. Brandy has three brothers and one sister, all whom are married, and there are four nieces and one nephew.

# FRIENDS

We have a huge friend group and there is no way to group them all on this page. We have friends all over the map from Australia, Israel, Georgia, New Jersey, and Florida. We love our people and they bring so much to our lives.

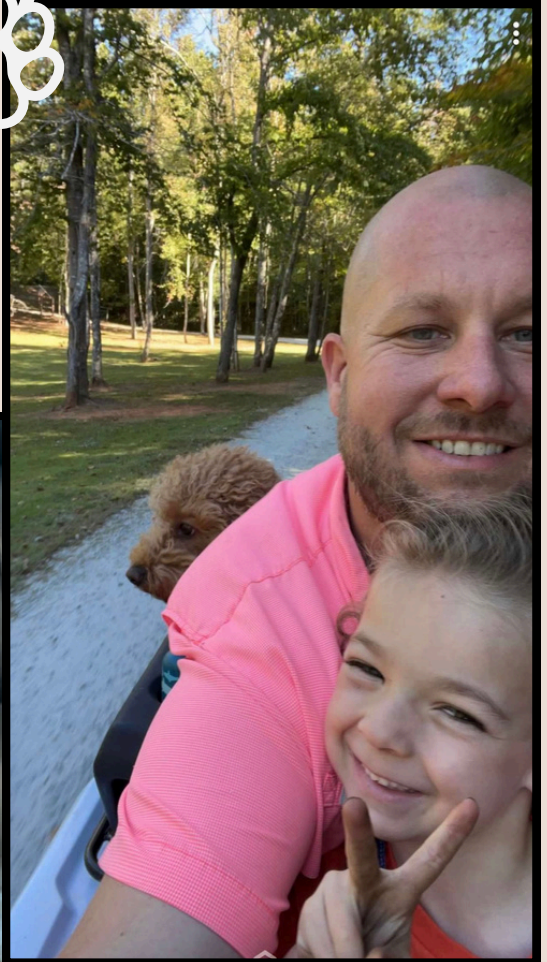

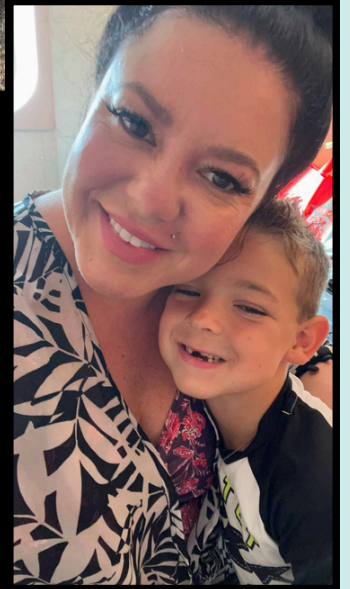

Bayou is the sweetest most lovable pup! He is so precious and gentle. He is a hugger and he loves to snuggle. Bayou is a big part of our family and travels right along with us. He is four years old.

LIFE

If it feels right for you, we would love to be a part of your child's life. The sacrifice that you are going through is not lost on us, and you will always be a part of our heart and included in our daily conversations. We will LOVE you and PRAY for you, and your child will always know the beauty of you. YOU are your child's first love, and we will spend a lifetime always reminding them of that.

So much love to you on this day and every day!
