Our 30-acre slice of heaven

About Us

We've been happily married for more than 10 years and have a very stable, loving home.

We live on a small farm in the rolling hills of Wisconsin and we love the outdoors! Some of the things we enjoy include spending time with family, outdoor activities like hiking, campfires, or exploring new parks.

Our 4 adopted children mean the world to us! Katie loves being a stay-at-home Mom and Dominic is eager to get home from work each day to play with the kids.

We have a special relationship with one of our son's birth parents and we keep in close contact with their family. We send photos and updates to the birth parents of two of our other children. We'd be happy to keep in contact with you, to whatever extent you wish!

Our Home in Wisconsin

We own 30-acres in the country and plan to stay here for the rest of our lives. We bought our place when we got married and spent several years remodeling, adding on, and making improvements to the house and outbuildings.

We now have a beautiful 5,000 sq. ft. home, complete with 6 bedrooms and 4 bathrooms. We have solar panels on our roof that produce the energy we use. There's a huge yard for the kids to play in, a fun playground that Dominic built, a campfire area, and lots of exciting places to explore!

We raise organic, grass-fed Angus cattle for meat, and we have chickens so there are always fresh eggs on hand.

We have an orchard and vineyard, raspberries, blackberries, blueberries, and a garden with a large variety of vegetables.

It's great to be able to walk around outside and nearly always have some fresh fruit or vegetables available to eat!

About Dominic (from Katie)

I am so blessed to have Dominic as my husband! He's kind, thoughtful, and sweet (he'll leave me little love notes around the house). He puts God first in everything he does, which is one of the many reasons I love him. He's a great dad who's patient and loving. It warms my heart to see him playing with the boys or teaching them something new.

He's a talented, hard worker and loves building things – like playhouses for our nieces or wooden barns and trucks for our nephews. The kids absolutely love him and flock around him whenever we get together. To quote my nephew, "Uncle Dominic is a piece of magic!"

Dominic comes from a wonderful, Catholic family. He enjoys family get-togethers, hiking, building and wood-working, kayaking, boating, campfires, and spending time outdoors.

About Katie

(from Dominic)

Katie is the love of my life and my best friend. She is caring, compassionate, and always puts others before herself. She also has a wonderful heart full of laughter, and a joyful spirit that make life by her side truly a blessing. She is very thoughtful and kind and has a strong moral character. She's a sweet and patient mom who takes it all in stride. She loves being a stay-at-home Mom and taking care of the kids. She's patient and caring and makes a great Mom!

Katie comes from a wonderful close-knit Catholic family. She's an amateur photographer and loves doing photo-shoots of the kids. She enjoys family gatherings, gardening, reading, kayaking, boating, campfires, and decorating our home.

Our Kids

We adopted each of our 4 boys as infants, all from different states. They all get along great with each other and are hoping to have a new sibling soon!

Jacob is our thoughtful 7-year-old who dotes on his younger brothers.

He enjoys Legos, tractors and biking.

Timmy is our outgoing 6-year-old who always has a smile on his face.

He enjoys building, trucks and biking.

Michael is our sweet 5-year-old who loves to give hugs and sit on your lap.

He likes Duplos, trains and ATVs.

David is our independent 4-year-old who looks up to his older siblings.

He likes monkeys, bunnies, and building blocks.

What We Do For Fun

Family time: We spend a lot of time with our families. There's always some reason to get together to celebrate - lots of birthdays and holidays.

Hiking: We love to hike!! We go hiking all the time from early spring until winter. We love the fresh air, exercise and good company!

Around our place: One of our favorite things to do is to go for walks in our woods (about 7 acres are wooded with trails). We also have a UTV that we ride around.

Games: We like to play games! Trivial Pursuit, Apples to Apples, Buzz Word, and other fun games.

At the Lake: We are very fortunate to live where we do. Not only are we surrounded by beautiful fields, hills, and woodland - we're also just a few miles from a nice state park with a lake. The beach is fun and we enjoy boating!

Campfires: It's always fun to roast marshmallows in our campfire pit!

Our Faith, Family & Promise

We are both practicing Catholics. We attend Mass every Sunday and try to live our faith each day.

Our families are extremely important to us and we're very close to them. Nearly every weekend is spent with some of our extended family or friends – hiking, birthday parties, swimming, boating, etc. We love our families dearly and they're all excited for us to grow our family through adoption.

We promise to love your child unconditionally! We'll give him or her a fun, happy home and an education that will prepare them to one day go out on their own and be successful in life.

Thank you for considering us!
